Summary

As a Junior Full-Stack developer, I am an efficient self-learner with a positive attitude, motivated to continuously expand my skill set. I possess a deep understanding of the MERN stack and PHP WordPress. I have contributed to large scale and personal projects alike. My commitment to continuous learning and growth fuels my ability to tackle complex challenges. Moreover, I excel in collaborative environments, leveraging my team player mindset to drive success and support the mission of your innovative firm.

Experience

2024: Freelance Full Stack Developer at UpWork.

key role: Seasoned freelance full stack developer with expertise in WordPress and PHP, adept at crafting dynamic and user-friendly web applications.
